Code of Conduct

This document outlines and describes the expected behavior and attitude of students attending TGCA. By signing the document, the student and parent/guardian agree to abide by the contents.

Our mission is to provide a complete education which promotes academic excellence and a biblical worldview. It is the goal of TGCA to equip students with the intellect and character they need to impact their world.

I. History of Tower Grove Church

Tower Grove Church is the founder and sponsor of Tower Grove Christian Academy. In 2016, TGC celebrated its 125th year. Its history is filled with the blessings of God. TGC, through its varied ministries, has produced multiple home and foreign missionaries, innumerable pastors, and multiple church plants, and provided support for various ministries that remain in existence today.

II. Biblical Worldview

As a Christian academy, TGCA is open to people of all faiths. We are interested in the establishment of a living faith in God, through his Son Jesus Christ, in our students. All of our academic pursuits are studied from a God-centered view of life.

1. We believe the Bible to be the only inspired, infallible, authoritative Word of God.
2. We believe in the deity of our Savior, the Lord Jesus Christ; in His virgin birth; in His sinless life; in His vicarious and atoning death through His shed blood; in His bodily resurrection; in His ascension to the Father's right hand; and in His visible bodily return to earth.
3. We believe that there is one God, existing eternally in three persons: the Father, the Son, and the Holy Spirit.
4. We believe that every person is a sinner by nature and by choice and in need of a Savior.
5. We believe that salvation is the gift of God offered to man by His grace and received by personal faith in the Lord Jesus Christ.
6. We believe in the ministry of the Holy Spirit; that He convicts the sinner; regenerates those who believe; indwells, seals, instructs, reproves, and guides the believer; and that He fills and controls every life that is wholly yielded to Him.
7. We believe in the bodily resurrection of the believers unto life and the nonbelievers unto judgment and everlasting damnation.

The goals of Christian education at TGCA are:

1. to provide a Biblically based academic program
2. to partner with parents in the education of their children
3. to guide the student in the development of a Biblical worldview

III. Student Responsibilities

A. Respect

1. Students will respect the teachers and staff of TGCA as well as the staff of TGC.
2. Students will respect other students.
3. Students will respect the institutions of TGCA and TGC.
4. Students will respect the grounds, building, and property of TGCA and TGC.

B. Academic Conduct

1. Students will exhibit integrity in all academic efforts by not engaging in cheating in any form; stealing, buying, selling, falsifying information, using information not condoned by the teacher and plagiarism in any of its forms.
2. Late, sloppy, and incomplete work is not acceptable.
3. Students are to adhere to the computer ethics code which is addressed in the User Agreement document.

C. General Conduct

All students at TGCA are held to a behavior conduct that is consistent with Christian character. TGCA desires to create a culture of responsible conduct that reflects kindness. A student’s conduct not only reflects upon one’s self, but also on the student’s family, the teacher, TGCA, TGC, and the Lord Jesus Christ. Students are accountable for their conduct on school grounds, as well as public conduct outside of the school.

The following policies must be upheld:

1. Prompt arrival to school and in the classroom by 8:00 a.m. Five tardies to school or to any class in a quarter will result in a \$25 fee.
2. Daily attendance is extremely important. Over ten absences in a year may result in grade level retention.
3. No use of tobacco, vapors, alcohol, or drugs.
4. No public display of affection, subverse, violent, or disruptive behavior.
5. TGCA is a gun free zone.

D. Harassment and Discrimination

TGCA is committed to preventing the harassment and discrimination of all its students. TGCA strives to provide a safe, God-centered environment. Therefore, the following behaviors will not be tolerated: physical, psychological, racial, sexual, or verbal harassment of any kind. Specifically, bullying, cyber bullying (social media), and stalking are behaviors which will not be ignored.

E. Dress Code

The TGCA dress code is meant to instill in students the concept of self-respect as well as a respect for others which is not dependent on how they dress. Students are to adhere to the dress code policy during school hours. When dress down days are announced, students are to follow the guidelines and dress in modest clothing which is consistent with the culture of TGCA.

I have read and agree to abide by the code of conduct as set forth by TGCA.

If students should unknowingly navigate to a web site that contains material considered offensive, they must clear the screen immediately and notify the teacher. Steps will be taken to block the site from further access by students.
 - Students shall not knowingly or recklessly use a telecommunication service supplied by a carrier to menace or harass another person, or use a telecommunication service supplied by a carrier in such a way as would be regarded by reasonable persons as being, in all

1:1 Device Procedures and Information-iPads

Tower Grove Christian Academy desires to create an environment that promotes academic excellence and a biblical worldview, while equipping students with the intellect and character they need to impact their world.

The policies and information described apply to all Tower Grove Christian Academy devices, including Chromebooks, iPads, and Kindle Fires, used at school or at home.

Devices supplied by Tower Grove Christian Academy are the property of the school and are subject to monitoring of use and search of contents at the request of administration. **Devices are managed through the Mosyle Manager app. This app is not to be removed from the device under any circumstances.**

Goal: TGCA is committed to creating a 21st century learning environment, that will provide an essential foundation for college and career readiness. It is our desire to supply a device for all students, therefore enhancing student learning outcomes and making students active and engaged in their learning.

Receiving Devices: It is at the discretion of administration as to when devices are assigned to students. Before a device is issued, all parents/guardians and students must:

- Review and sign the TGCA 1:1 Device Agreement form
- Review and sign the TGCA Student User Agreement: Computers and Internet

Accidental Damage: Tower Grove Christian Academy recognizes that there are times that accidental damage occurs. The devices need to remain in the provided protective cases at all times. In the event that damage occurs, the student is responsible for the cost to repair any damages, up to the total replacement cost. All devices in need of repair must be taken to administration.

TGCA iPads: TGCA has purchased the AppleCare+ for School (iPad) plan to cover accidental damages. However, in the event that damage occurs to the device it is the financial responsibility of the student that the device is assigned to, to pay the service fee.

Under the AppleCare+ for School (iPad) plan an iPad is eligible to be repaired or replaced due to accidental damage (such as drops and damage caused by liquid) for a **fee of \$49**. Each device is eligible for up to two (2) service events every 12-month period.

Under the AppleCare+ for School (iPad) plan an iPad may be repaired or replaced for free if the capacity of the battery to hold an electrical charge is less than 80% of its original specifications.

Returning Devices: All devices and chargers must be turned in at the end of the school year. Every effort will be made to ensure students receive the same device at the beginning of the next school year. Students who are not returning must return their device on the last day of attendance.

Care and Precautions: Tower Grove Christian Academy devices are the property of the school and students are responsible for general care of the device and any accessories issued to them.

- Do not access, store, create, consume, or share unauthorized or inappropriate content with your school issued device.
- Keep your device charged and ready for each school day.
- Turn off your device when not in use for extended periods of time to conserve battery life.
- Food or drink near the device is not recommended. Do not expose the device to liquids, dampness, or other foreign substances.
- Take care when inserting cords, cables, or removable storage into devices.
- Only connect items that are intended for that particular type of connection and device.
- Do not expose devices to extreme temperatures (ex. leaving in the car or trunk for a long period of time on a hot or cold day).
- Do not alter the device or decorate the device in any way.
- Do not remove labels, stickers, or tags for the device that are affixed by TGCA.
- Devices that are issued with a case should always be kept in the case.

- Devices should be locked in lockers when not in use during the day and never left unattended, such as on school grounds, unlocked car, or public place.
- Do not place heavy objects on top of the device.
- Only touch the screen of a device that has a touch-screen, touching screens that are not touch-screen will damage the screen.
- Clean the screen with a dry, microfiber cloth. Do not spray cleaner on the device. If needed, eyeglass wipes or a damp microfiber cloth may be used.
- All devices in need of repair must be taken to administration.
- Only school personnel are to troubleshoot, diagnose, or repair your school issued device. Do not allow a third party to handle your device; this will place all responsibility for damages on the student.
- If a device must be repaired, a student may receive a loaner device until the repair is complete (if available). If the repair is due to malicious intent, a loaner will not be provided until the replacement/repair cost has been rendered.
- Always sync important data to the cloud to avoid loss of information should a device require restoration to its original factory image.

Using the Devices:

- Students are required to use their @towergrovechristian.org account to login.
- Students should keep their password confidential.
- Students are responsible for bringing the device to class each day, fully charged and ready to get started. (Repeat violations may result in disciplinary action.)
- Printing will not be available from the devices. Students will share information electronically.
- Students should take the device home every day for storage and charging.
- Devices will connect to a home wireless network that is open and requires only a passcode to connect. Students without Internet access at home can work offline.
- Students may print at home using the Google Cloud Print service (wireless connection required).
- Students should not install or uninstall applications on the device or factory reset the device.
- Family members and others are not permitted to use the school issued device. Devices are intended for Tower Grove Christian Academy students only and are not to be sold or leased to others.

Managing Files and Saving Work: Students will be given a G-Suite for Education account, using their assigned @towergrovechristian.org name. This allows the creation of online documents and presentations, and provides a platform for online collaboration, and cloud storage for documents and files. It is the responsibility of the student to maintain their files and keep proper backups. Students should not view or save any content deemed inappropriate such as pornography, offensive content, or illegal music/videos/software. Students of certain classes may be given an Office 365 for Education account, which is similar to G-Suite for Education.

Device Management: Tower Grove Christian Academy will maintain devices and manage devices. TGCA can add or remove applications as needed. Varying devices run different operating systems; these should update automatically. No antivirus protection is needed. The school uses a system that blocks and filters inappropriate content when students are connected to the Internet; this is not 100% foolproof and TGCA cannot guarantee that users will never be able to access offensive material. Administration may view devices to check for inappropriate material and verify proper case and maintenance, at any time the device is on school property.

Students in kindergarten through third grade will not be allowed to take the devices home. Students in fourth and fifth grade will take the devices home periodically. The teacher will send an email notification when they are taken home and specify when they must be returned. Students in middle school will be allowed to take the devices home, but must bring them to school, fully charged, each day.

By signing this agreement and using the equipment and resources of Tower Grove Christian Academy, the user agrees to abide by the conditions outlined in the 1:1 Device Procedures and Information-iPads agreement.

I understand Tower Grove Christian Academy 1:1 Device Procedures and Information and agree to abide by the conditions outlined therein. I understand that _____ (student) will receive a device managed by TGCA and that the student is responsible for any damage or loss, proper care and precautions, proper use of the device, and management of personal files and work.
